MEMORANDUM

To: Committee on Academic Affairs

From: Teresa Woodruff 
Provost and Executive Vice President for Academic Affairs

Subject: Deaccession of MSU Museum Items

RECOMMENDATION

The Trustee Committee on Academic Affairs recommends that the Board of Trustees approve the deaccession of MSU Museum Items D2017.1-294, D2018.1-148, and D2019.1-64.

RESOLUTION

BE IT RESOLVED, that the Board of Trustees of Michigan State University hereby approves the deaccession of MSU Museum Items D2017.1-294, D2018.1-148, and D2019.1-64 listed in Attachment A.

BACKGROUND

Deaccession is the process of permanently removing items from a museum's collections. The MSU Museum holds its collections in trust for past, present, and future generations, yet it must remain free to improve the collections through acquisitions and selective disposal, while preserving the integrity of collections. Any form of disposal, whether by donation, exchange or sale will be considered with the utmost gravity and the deaccession process shall be cautious, deliberate, and scrupulous.

Pursuant to the MSU Museum Collections Policy, a Curator and Collections Manager may jointly recommend deaccessioning an object or specimen, if, in their judgment, one or more criteria for deaccession have been met. Such recommendations will specify the source and/or provenance of the material, the incoming appraisal, current estimated market value, reason for deaccession, and recommended disposition of the material. The Recommendation to Deaccession MSU Museum items D2017.1-294, D2018.1-148, and D2019.1-64 is included as Attachment A.
