MEMORANDUM

To: Committee on Budget and Finance

From: Samuel L. Stanley, Jr., M.D.
President

Subject: 2020-21 Tuition and Fee Rates

RECOMMENDATION

The Trustee Committee on Budget and Finance recommends that the Board of Trustees adopt the MSU tuition and fee rates for 2020-21.

RESOLUTION

BE IT RESOLVED, that the Board of Trustees hereby adopts the 2020-21 tuition and fee rate structure included as Attachment A, effective for Fall semester 2020.

BACKGROUND:

Attachment A reflects the recommended formal tuition and fee rate structure for the 2020-21 academic year. Proposed tuition and fee rates are the same as 2019-20 rates.

The university is currently operating under a two-year budget approved in June 2018, which included a tuition freeze for all undergraduate students. Therefore, rates for the resident entering class are unchanged since the 2017-18 academic year, and broader undergraduate tuition and fee rates are unchanged for the second consecutive year.

This action marks the first step in the 2020-21 budget development process. It is anticipated that proposed 2020-21 budget development guidelines will be brought to the Board for action at its June meeting.
