Subject: Naming of Recreational Sports & Fitness Services Turf Field Complex

RECOMMENDATION

It is recommended that the Board of Trustees approve naming the new Recreational Sports & Fitness Services turf field sports complex Spartan Greens.

RESOLUTION

BE IT RESOLVED, that the Board of Trustees of Michigan State University hereby approves naming the new Recreational Sports & Fitness Services turf field sports complex Spartan Greens.

BACKGROUND

This project includes two new artificial turf fields and a new support services building, slated for completion for fall semester 2022. The new turf fields will support a variety of Intramural and Club sports, including lacrosse, soccer, flag football, ultimate frisbee, softball and baseball. The support services building will include restrooms, first aid and training, ample storage space and staff spaces.

We want our facilities to encourage community building, social engagement and promote well-being for our MSU community. We are guided by our principles centered on student success and providing facilities that support programming to strengthen mind, body and spirit.
