25.04* Mobile home, trailer, and boat storage prohibited

.01 It shall be the duty of the Vice President and Chief Safety Officer of Michigan State University to maintain an accounting of all monies, goods, wares and merchandise deposited in his or her office as lost or abandoned property which has been found within the campus of said institution. On the first Monday in the months of January, April, July, and October in each year, or more often as necessary, said Vice President and Chief Safety Officer shall cause a notice of all such property as shall remain unclaimed to be posted in four conspicuous places on said campus for three successive weeks to all persons interested or claiming such property: provided, however, that if any of such goods, wares, merchandise or chattels shall be of a perishable nature or expensive to keep, then it shall be lawful for said Vice President and Chief Safety Officer to sell the same at public auction at such time and after such notice as the Director and the Board deem proper.

.02 It shall be the duty of the Vice President and Chief Safety Officer, on receiving satisfactory proof of ownership, to deliver such property to the owner on payment of all necessary and reasonable expenses which may have been incurred in the recovering, preservation, or sustenance of such property and the expense of advertising the same unless the Office of the General Counsel or the Prosecuting Attorney of the County of Ingham shall otherwise direct.

.03 It shall be the duty of the Vice President and Chief Safety Officer to cause all property unclaimed after the expiration of the notice specified in Section 1, money excepted, to be sold at public auction to the highest bidder or through normal sales procedures established by the University salvage yard, unless the Prosecuting Attorney of the County of Ingham shall direct that it shall remain unsold for a longer period to be used as evidence in the administration of justice; and the proceeds shall be paid to the University's Business Office together with all money, if any, which shall remain in the Vice President and Chief Safety Officer’s hands, first deducting actual charges of said sale.

.04* No person shall store mobile homes, trailers, boats, or similar property in other than areas designated and posted for such purposes.

27.00 SELLING AND ADVERTISING

27.01* Selling and advertising prohibited
27.02 Signs, posters, and handbills prohibited

.01* No person or entity may sell or solicit sales of items or services, or solicit contributions, on University premises without an authorized written permit, which permit must be promptly exhibited to any requesting University representative.

Authority to set standards for and to grant permits is vested in the Secretary of the Board of Trustees. The Secretary may prohibit sales and solicitations or regulate the time, place and manner of sales and solicitations, as to all University properties or as to specified areas or facilities. The Secretary may designate other University administrators to grant permits for specified areas for facilities in accordance with established standards.

.02 No person shall erect or otherwise display, except on his or her personal property, any sign or poster or distribute handbills upon property governed by the Board which advertises or otherwise calls attention to any commercial product, service or activity.

Selling and Solicitation Central Guidelines are contained in the Guidelines and Supporting Documents section of the Board’s Ordinance manual.

28.01 Signs

.011 No person shall erect or otherwise display, in a public area of property governed by the Board, any sign or poster that advertises or otherwise calls attention to a person or activity, except on bulletin boards provided by Michigan State University.

.012 No person shall efface, alter, tamper with, destroy or remove any sign or inscription on any property governed by the Board.

.013 It shall be unlawful for any person to attach any sign or poster to any property other than a bulletin board governed by said Board.

28.02 Structures - Erection and Maintenance of

.021 No person shall construct or otherwise erect or maintain any structure anywhere within the confines of property governed by the Board unless a permit has been granted by the Secretary of the Board of Trustees or his/her designee. It shall be a violation of this ordinance to construct, erect or maintain any structure without a permit.

.022 Areas may be designated by University regulations and/or administrative rulings for the erection and/or maintenance of structures relating to authorized activities taking place on campus and for the erection and/or maintenance of symbolic structures representing constitutionally protected expression. Reasonable time, place and manner regulations which are consistent with preservation of the campus landscape and environment, protection of university activities, and protection of the health and safety of all users of the area may be enacted by University units and incorporated into permits. No person shall violate the terms and conditions of a permit.

.023 Permits shall be denied if: (a) it reasonably appears that granting the permit will result in interference with public health and/or public safety, (b) it reasonably appears that granting the permit will result in unreasonable interference with the operations or use of University buildings or grounds, and/or (c) the structure cannot reasonably be accommodated in the particular location considering such things as the number of structures the area can reasonably accommodate, the number of applications which are pending for use of the area and interference or impairment of the use of the area or surrounding area for normal university activities.

.024 A permit may be suspended or revoked under any of the conditions as listed in
subsection .023 that constitute grounds for denial of a permit, or for violation of the terms and conditions of the permit. Such a revocation shall be made in writing, with the reasons for revocation set forth, except under emergency circumstances, when an immediate verbal revocation and suspension may be made to be followed by written confirmation within 72 hours.

.025 No permit shall be issued for a period in excess of 14 days, although pursuant to procedures established by the University, permits may be renewed for additional periods of 14 days if the reason for issuing the permit still exists, there has been no breach of the terms of the permit, the number of applicants who can be accommodated in the area is not exceeded, and/or there are no other applicants waiting to use the area.

.026 Any structure which is erected or maintained in violation of subsection .021 or in violation of any permit granted under subsection .022 may be impounded by the University. The person who erected the structure and/or directed that the structure be erected is responsible and liable to the University for the costs of removal, storage, or other disposition of property. Property impounded pursuant to this subsection shall be deemed to be abandoned and may be disposed of by the University if not claimed by the owner or an authorized representative thereof within 30 days. The 30 days shall begin to run when the rightful owner of the property has been notified, if the owner can be identified, or from the time the property was placed in the University's custody, if the owner cannot be identified.

.027 A person who violates subsection .021 of this ordinance shall be guilty of a misdemeanor and shall be punished as provided by law. A person who violates subsection .022 of this ordinance and who has no prior violations is responsible for a civil infraction and is liable for a civil fine of $100. A person who violates subsection .022 of this ordinance and who has a prior violation under this section shall be guilty of a misdemeanor and shall be punished as provided by law.

29.00 SMOKING, Use and Sale of Tobacco Products

29.01* Use of Tobacco Products and Smoking Prohibited
29.02* Sale of Tobacco Products Prohibited
29.03 Definitions
29.04 Exceptions

.01* No person shall (a) smoke, or (b) otherwise use any product derived from or containing tobacco, on any property governed by the Board.

.02* Products derived from or containing tobacco may not be sold on any property governed by the Board.

.03* For the purpose of this Ordinance:

To “smoke” means inhaling, exhaling, burning, or carrying any lighted or heated tobacco or plant product intended for inhalation, whether natural or synthetic. To “smoke” also includes the use with any such tobacco or plant product of a pipe or hookah; of any electronic smoking device which creates, in any manner, an aerosol or vapor, in any form; or of any other oral smoking device.

“Products derived from or containing tobacco” include, without being limited to, cigarettes (including clove, bidis, kretkks), electronic cigarettes, aerosol or vapor nicotine delivery devices, cigars and cigarillos, pipe tobacco, hookah-smoked products, and oral tobacco (spit and spit less, smokeless, chew, snuff).

.04 Notwithstanding the foregoing, all FDA-approved nicotine replacement therapy products are permitted when used for purposes of cessation. Traditional Native American spiritual, ceremonial, or cultural use of tobacco, including but not limited to possessing, gifting, smoking, combusting (without smoking), and depositing on the ground or in the water, is permitted. Indoor use requires prior notice. Traditional Native American smudging using tobacco, sage, cedar, or sweetgrass is also permitted. Other exceptions to this Ordinance may be authorized by the Secretary of the Board pursuant to guidelines issued by the Secretary of the Board.

.01* Except as otherwise provided in this section, every vehicle stopped or parked upon a highway shall be so stopped or parked with the wheels of such vehicle parallel to the roadway and within 12 inches of any existing right-hand curb.

.02* Upon those streets or in those parking lots which have been signed or marked by the Traffic Engineer or the Vice President and Chief Safety Officer for angle parking, no person shall stop, stand or park a vehicle other than at the angle to the curb or edge of the roadway indicated by such signs or markings, and no person shall stop, stand or park a vehicle except completely within such pavement markings as may exist.

.03* No person having control or charge of a motor vehicle shall allow such vehicle to stand on any highway or in any parking lot unattended without first effectively setting the brakes thereon and stopping the motor of said vehicle and when standing upon any grade without turning the front wheels of such vehicle to the curb or side of highway; nor shall any person leave any motor vehicle unattended upon any street or in any parking lot without removing the keys from the ignition of said vehicle.

.04* No persons shall park any vehicle upon a street or in any parking lot in such a manner as to block or prevent another vehicle from exiting a parking space or under such conditions as to leave available insufficient width of roadway for free movement of vehicular traffic or so as to require vehicles operating upon the roadway to leave their assigned traffic lane in order to pass such parked vehicle.

.05* A vehicle starting from a parked position shall give moving vehicles the right-of-way and the operator of such vehicle shall give a timely and visible warning signal before so starting.

.06* A vehicle parked at an angle to the curb and about to start shall give moving vehicles the right-of-way and the operator thereof shall not back such vehicle from the curb into the moving lane of traffic unless such maneuver can be made in safety and without conflict with moving vehicles and shall not back such vehicle to cause other traffic to yield right-of-way to avoid a collision.

.07* Prohibitions (no signs required): No person shall stop or park a vehicle, except when necessary to avoid conflict with other traffic or in compliance with the law or the directions of a police officer or traffic-control device, in any of the following places:

.071* On a sidewalk;

.072* In front of a public or private driveway;

.073* Within an intersection;

.074* Within 15 feet of a fire hydrant;

.075* On a crosswalk;

.076* Within 20 feet of a crosswalk, or if none, then within 15 feet of the intersection of property lines at an intersection of highways;

.077* Within 30 feet upon the approach to any flashing beacon, stop sign, yield right-of-way sign, or traffic-control signal located at the side of the highway or roadway;
.078* Between a safety zone and the adjacent curb or within 30 feet of points on the curb immediately opposite the ends of a safety zone, unless a different length is indicated by signs or markings;

.079* Within 50 feet of the nearest rail or a railroad crossing;

.0710* Within 20 feet of the driveway entrance to any fire station and on the side of a street opposite the entrance to any fire station within 75 feet of said entrance when properly signposted;

.0711* Alongside or opposite any street excavation or obstruction when such stopping, standing or parking would obstruct traffic;

.0712* On the highway side of any vehicle stopped or parked at the edge or curb of a street;

.0713* Upon any bridge or other elevated structure upon a highway or within a highway tunnel;

.0714* Within 200 feet of an accident at which police officers are in attendance;

.0715* In front of any theater;

.0716* In any place or in any manner so as to block immediate egress from any emergency exit or exits conspicuously marked as such on buildings;

.0717* In any place or in any manner so as to block or hamper the immediate egress from any fire escape conspicuously marked as such providing an emergency means of egress from any building.

.08* No person shall drive a motor vehicle or park such vehicle upon the grass or over a curb or beyond the designated highway width or off the shoulder of a highway unless otherwise directed to do so by a police officer.

.09* Prohibitions and restrictions (signs required): No person shall stop, stand or park a vehicle, except when necessary to avoid conflict with traffic or in compliance with law or the direction of a police officer, in violation of any legally established parking restriction or prohibition, provided that signs stating such restrictions or prohibitions are duly posted in accordance with this ordinance.

.10* Metered parking zones:

.101* When parking meters are erected adjacent to a space marked for parking, such space shall be a metered parking zone and no person shall stop a vehicle in any such zone for a period of time longer than designated on said parking meters upon the deposit of a coin of the United States currency of the denomination designated on said meters, except government-owned vehicles shall be exempt from the payment of the meter fee.

.102* Every vehicle shall be parked wholly within the metered parking space for which the meter shows parking privilege has been granted.
.103* When a multi-space parking meter is erected in a parking ramp or lot, no person shall stop a vehicle in any such zone without making proper payment via United States currency, credit card or other such accepted form of payment in an amount sufficient to cover the length of time for which the vehicle will remain parked. Parking time may be extended upon the payment of additional funds, but in no event shall a vehicle remain parked in excess of the time limit indicated on applicable signage.

.104* Government-owned vehicles shall be exempt from the payment of meter fees.

.12 No person shall drive or attempt to drive a vehicle through parking lot entrances or exits controlled by parking gates except in the manner posted and indicated by the nature of the operation of the parking gate.

.13 No person shall drive or attempt to drive a vehicle into a parking lot through the "exit" side of the parking gate or drive a vehicle from a parking lot through the "entrance" side of the parking gate unless directed to do so by a police officer.

.14 No person shall by any means whatsoever cause or attempt to cause the mechanisms of a parking gate to operate unless that person shall be driving a vehicle through a parking lot entrance controlled by that parking gate and then shall cause the mechanism to operate in only its normal and intended manner and as provided elsewhere in this section.

.15* Loading and unloading only:

.151* Standing in passenger loading zone: No person shall stop, stand or park a vehicle for any purpose or period of time except for the expeditious loading or unloading of passengers in any place marked as a passenger loading zone during hours when the regulations applicable to such passenger loading zone are effective and then only for a period not to exceed 5 minutes;

.152* No person shall stop, stand or park a vehicle for any purpose or length of time not to exceed 10 minutes other than for the expeditious unloading and delivery or pick up and loading of materials in any place marked as a loading zone during hours when the provisions applicable to such zones are in effect;

.153* The driver of a vehicle may stop temporarily at a place marked as a loading zone for the purpose of and while actually engaged in loading or unloading passengers, when such stopping does not interfere with any motor vehicle used for the transportation of materials which is waiting to enter or about to enter such zone.

.16* The operator of a bus or taxicab shall not stop, stand or park upon any street in any business district at any place other than at a bus stop or taxicab stand, respectively, except that this provision shall not prevent the operator of any such vehicle from temporarily stopping in accordance with other stopping, standing or parking regulations at any place for the purpose of and while engaged in the expeditious unloading or loading of passengers.

.17* No person shall stop, stand or park a vehicle other than a bus in a bus stop or other than a taxicab in a taxicab stand when such stop or stand has been officially designated and appropriately signed, except that the driver of a passenger vehicle may temporarily stop therein for the purpose of and while actually engaged in the expeditious loading or
unloading of passengers when such stopping does not interfere with any bus or taxicab waiting to enter or about to enter such zone.

.18 In any proceeding for violation of the parking provisions of this ordinance, the registration plate and/or University permit displayed on such motor vehicle shall constitute in evidence a prima facie presumption that the owner of such motor vehicle was the person who parked or placed such motor vehicle at the point where such violation occurred.

.19* The Traffic Engineer or the Vice President and Chief Safety Officer may establish temporary or permanent "No Parking" zones in which, by posting of "Tow Away Zone" signs, vehicles parking in violation may be towed away and impounded.

.20* No person shall open the door of a motor vehicle on the side adjacent to moving traffic unless and until it is reasonably safe to do so, nor shall any person leave a door open on the side of a motor vehicle next to moving traffic for a period of time longer than necessary to load or unload passengers.

.21 Schedule of civil sanctions:

$20.00 civil sanctions:
Sub-sections .01, .02, .03, .101 and .102

$40.00 civil sanctions:
Sub-sections .04, .07, .071, .072, .073, .074, .075, .076, .077, .078, .079, .0710, .0711, .0712, .0713, .0714, .0715, .0716, .0717, .08, .09, .103, .15, .151, .152, .153, .16, .17 and .19

$115.00 civil sanctions:
Sub-section .25

.22 There is hereby established a Parking Violations Bureau which shall be the exclusive agency for accepting admissions of civil responsibility in cases of violation of the parking ordinance.

.23*

.24 The Parking Violations Bureau shall accept the civil sanctions listed in subsection 31.21 of these ordinances for the offenses charged, and payment and acceptance of such civil sanctions within seven days of the violation shall be deemed complete satisfaction for the violation, and a receipt so stating shall be given the violator. If not paid within seven days late fees shall be added.

.25* No person shall park any motor vehicle in a parking space signed as reserved for a person with a disability except a motor vehicle bearing a State or University license plate, decal or permit legally establishing the driver or passenger as a person with a disability.

---

*This part of Ordinance 31.00 was rescinded on April 12, 2013: “The Parking Violations Bureau shall be under the direction of the Vice President and Chief Safety Officer, or his or her designee, who shall make a monthly accounting to the Senior Vice President, Chief Financial Officer and Treasurer of civil sanctions collected.”
.26* No person shall park a vehicle upon any street or parking lot for the principal purpose of storage for more than 48 continuous hours, except in posted residence storage lots or streets, and the vehicle has current valid license plates, and has properly affixed a current and valid University Parking Permit appropriate for the area.

32.00 TRAFFIC - PEDESTRIANS

32.01* Subject to intersection signals, rights and duties at other places
32.02* Right-of-way at crosswalks; traffic control devices; unmarked crosswalks
32.03* Special pedestrian control signals
32.04* Duty between adjacent intersections with signals
32.05* To yield right-of-way to emergency vehicles
32.06* Shall not pass beyond closed railroad crossing gate
32.07* Pedestrians to use right half of crosswalk
32.08* Crossing roadway at right angles
32.09* Crossing at other than crosswalks; yield to vehicles required
32.091* Tunnels or overhead crossings
32.10* Walk left side of roadway; where sidewalks provided; where sidewalks not provided
32.11* Soliciting rides or business
32.12* White canes; guide dogs; duty of motorist
32.13* Crosswalk - at other than intersection

.01* Pedestrians shall be subject to traffic control signals at intersections, and at all other places shall be accorded the privileges and shall be subject to the restrictions stated in this section.

.02* Pedestrian's right-of-way at crosswalks: Where traffic control signals are not in place or in operation, the driver of a vehicle shall yield the right-of-way to a pedestrian crossing the roadway within any marked crosswalk or within any unmarked crosswalk at an intersection, except as otherwise provided in this section.

.03* Whenever special pedestrian-control signals exhibiting the words "Walk," "Don't Walk" or "Wait" are in place, pedestrians shall be subject to such signals.

.04* Between adjacent intersections at which traffic control signals are in operation pedestrians shall not cross the roadway except in a marked crosswalk.

.05* A pedestrian shall yield the right-of-way to an emergency vehicle which is flashing emergency lights or otherwise signaling an emergency in progress.

.06* No pedestrian shall pass through, around, over or under any crossing gate or barrier at a railroad grade crossing or bridge while such gate or barrier is closed or is being opened or closed.

.07* Pedestrians shall move, whenever practicable, upon the right half of the crosswalk.

.08* Crossing roadway at right angles: No pedestrian shall, except in a marked crosswalk, cross a roadway at any other place than by a route at right angles to the curb or by the shortest route to the opposite curb.

.09* Crossing at other than crosswalks: Every pedestrian crossing a roadway at any point other than within a marked crosswalk or within an unmarked crosswalk at an intersection shall yield the right-of-way to all vehicles upon the roadway.

.091* Any pedestrian crossing a roadway at a point where a pedestrian tunnel or overhead pedestrian crossing has been provided shall yield the right-of-way to all vehicles upon the roadway.
.10* Walking on left side of roadway: Where sidewalks are provided, it shall be unlawful for pedestrians to walk upon the main traveled portion of the street or roadway. Where sidewalks are not provided, pedestrians shall, when practicable, walk on the left side of the street or highway facing traffic which passes nearest.

.11* Pedestrians soliciting rides or business: No person shall stand in a roadway for the purpose of soliciting a ride, employment or business from the occupant of any vehicle.

.12* White canes: Any driver of a vehicle who approaches a visually impaired person carrying a cane or walking stick which is white or white tipped with red, or being led by a guide dog wearing a harness and walking on either side of or slightly in front of said blind person, shall immediately come to a full stop and take such precautions before proceeding as may be necessary to avoid accident or injury to the person.

.13* When traffic control signals are not in place or not in operation the driver of a vehicle shall yield the right-of-way, slowing down or stopping if need be to so yield, to a pedestrian crossing the roadway within a crosswalk when the pedestrian is upon the half of the roadway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger, but no pedestrian shall suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield.

.01 For purposes of this ordinance the term “commercial” means made available to the public to use for payment. The term “Department of Police and Public Safety” means the Michigan State University Department of Police and Public Safety. The term “electric mobility device” is limited to electric bicycles and electric skateboards. The term “mobility device” is limited to bicycles and electric mobility devices. The term “mobility device company” means a person or entity that makes mobility devices available to the public to use for payment. The following terms have the meanings ascribed to them in the Michigan Vehicle Code, as amended from time to time: “bicycle,” “electric bicycle,” and “electric skateboard.”

.02 Notwithstanding the definitions in section 33.01:

(a) the Vice President and Chief Safety Officer is hereby authorized to designate, in his or her discretion, additional “mobility devices” for purposes of this ordinance;
(b) any such designation must specify whether such mobility device is considered a “bicycle,” “electric bicycle,” or other “electric mobility device” for purpose of this ordinance; and
(c) any such designation may be subject to such conditions, and may vary the terms of this ordinance as applied to such additional “mobility device,” as the Vice President and Chief Safety Officer deems appropriate, in his or discretion.

.03* No person may operate or leave unattended upon the campus:

(a) any noncommercial mobility device which does not bear a current and valid
permit issued by the Department of Police and Public Safety or, in the case of noncommercial bicycles only, a current and valid permit issued by the City of Lansing, the City of East Lansing, Lansing Township, or Meridian Township; or

(b) any commercial mobility device that does not bear the clearly identifiable logo of a mobility device company with a current and valid permit issued by the Secretary of the Board of Trustees pursuant to authority granted in section 27.01.

.04* The permission to operate a noncommercial mobility device in and upon the campus shall be evidenced by a permit tag designed by the Department of Police and Public Safety. The Department of Police and Public Safety shall issue such permit tag after acceptance for filing of the application for a permit. Each owner of a noncommercial mobility device shall, upon receiving a permit tag from the Department of Police and Public Safety, cause the permit to be affixed in a conspicuous place on the noncommercial mobility device covered by the permit; provided, however, that the Department of Police and Public Safety may, in its discretion, designate the particular place on each noncommercial mobility device where the permit tag shall be displayed. Notwithstanding the foregoing, any noncommercial bicycle that bears a current and valid permit issued by the City of Lansing, the City of East Lansing, Lansing Township, or Meridian Township is not subject to this section 33.04.

.05* Upon the transfer of a permitted noncommercial mobility device, the owner shall remove the permit tag and surrender the same to the Department of Police and Public Safety; provided, however, that the owner, together with the transferee of a noncommercial mobility device, may apply to the Department of Police and Public Safety for the transfer of the permit to operate the noncommercial mobility device to the transferee, and upon such application the Department of Police and Public Safety shall transfer the permit to operate the noncommercial mobility device to the name of the transferee. Notwithstanding the foregoing, any noncommercial bicycle that bears a current and valid permit issued by the City of Lansing, the City of East Lansing, Lansing Township, or Meridian Township is not subject to this section 33.05

.06 Application for a permit to operate a noncommercial mobility device shall be made upon bringing the noncommercial mobility device not meeting the requirements of section 33.03 upon the campus. The Department of Police and Public Safety shall provide for noncommercial mobility device permitting at some time during every day of the year except Saturdays, Sundays, and holidays.

.07* No person may operate a mobility device on the campus unless the same is equipped as follows:

(a) every mobility device which is operated during the period from one-half hour after sunset to one-half hour before sunrise shall be equipped with an activated white lamp on the front thereof, visible under normal atmospheric conditions from a distance of at least 500 feet to the front of the mobility device, and shall also be equipped with a mirror reflector or lamp on the rear, exhibiting a red light visible under like conditions from all distances from 100 feet to 600 feet to the rear of the mobility device.

(b) every mobility device shall be equipped with a suitable brake adequate to control the movement of and to stop the mobility device within a reasonable distance on dry, smooth, hard-surfaced road.
.08* Where a usable and designated path for mobility devices is provided adjacent to the roadway, a person operating a mobility device must use the path. Where such a path is not provided, a person operating a mobility device shall ride as near the right side of the roadway as practicable and shall exercise due care when passing a standing vehicle or one proceeding in the same direction. Mobility devices may be operated on all highways and streets upon the campus, regardless of the speed limit of any such highway or street, provided that such operation is in compliance with this ordinance.

.09* No persons operating mobility devices on the campus may ride more than two abreast.

.10* No person may operate a mobility device at a speed faster than what is reasonable and proper with regard to the safety of the operator and others; provided, however, that operating an electric mobility device at a speed greater than the speed permitted by the Michigan Vehicle Code, as amended from time to time, is prohibited.

.11* No person operating a mobility device shall attach himself or herself to any other moving vehicle.

.12* Every person operating a mobility device shall accord the right-of-way to pedestrians crossing roads and streets on the campus at all intersections and crosswalks.

.13* A person propelling a bicycle or electric bicycle shall not ride other than upon or astride a permanent and regular seat attached to such bicycle or electric bicycle. No mobility device may be used to carry more persons at one time than the number for which it is designed and equipped.

.14* The operator of a mobility device shall at no time remove both feet from the pedals, nor both hands from the handlebars or steering apparatus of the mobility device; nor shall any person operate a mobility device in a careless or reckless manner or practice any acrobatic riding on campus.

.15* No operator of a mobility device shall cause the same to be driven upon or across any sidewalk or footpath situated on the campus or upon campus grounds; provided, however, that the operator of any mobility device may dismount from the mobility device and proceed upon such sidewalks and footpaths on foot, pushing the mobility device while so proceeding on foot.

.16* Every person operating a mobility device on a roadway on the campus shall be granted all of the rights and shall be subject to all of the duties applicable to the driver of a motor vehicle by the laws of the State of Michigan except insofar as the provisions of this ordinance conflict with or modify said general laws.

.17* Any person operating a mobility device upon a roadway on the campus shall obey the instructions of all official traffic control signals, signs and other control devices applicable to motor vehicles unless otherwise directed by a police officer.
.18 No person operating a mobility device may leave the same unattended at any place upon the campus outside of designated mobility device parking areas.

.19* No person may leave a mobility device unattended in any space designed and intended for use by motor vehicles unless such areas is specifically allocated to mobility device parking.

.20* No person may park a bicycle and leave it unless it is locked to a bicycle rack.

.21 The Vice President and Chief Safety Officer is hereby authorized to publish special regulations providing for removal of mobility devices from parking areas and prohibiting mobility device parking in certain areas for designated periods for ground maintenance and improvements or other University functions. Mobility devices not removed from such areas or parked after the special regulations have been published shall be impounded as provided for in section 33.23.

.22 No person may leave unattended any mobility device on the campus longer than 48 hours unless he or she is currently registered as a student, employed by the University, or residing on University property.

.23 The Department of Police and Public Safety may impound any mobility device found upon the campus which is not permitted as required by this ordinance, or which is operated or parked in violation of this ordinance and shall release such mobility device only after its owner obtains the requisite permit and pays a fee for its impoundment or a summons is issued to the owner for the alleged violation. The fee for impoundment shall be an amount sufficient to reimburse the University for all costs of impounding and enforcing the provisions of this ordinance. Impounded mobility devices not claimed may be sold and the proceeds of such sale applied to the cost of enforcement and impoundment.

34.00 ACCIDENTS - TRAFFIC

34.01 Required to stop at accident involving death, injury or damage
34.02 Required to give information and render aid
34.03 Duty to report accidents immediately
34.04 When driver unable to report accident
34.05 Duty when striking unattended vehicle
34.06 Duty when striking fixtures on a roadway

.01 Duty to stop at scene of accident involving death or personal injuries or damage to vehicles: The driver of any vehicle directly involved in an accident resulting in injury to or death of any person, or resulting in damage to a vehicle which is driven or attended by any person shall immediately stop such vehicle at the scene of such accident or as close thereto as possible, but shall then forthwith return to and in every event remain at the scene of the accident until he has fulfilled the requirements of Sections 34.02, 34.03 or 34.04. Every such stop shall be made without obstructing traffic more than is necessary.

.02 Duty to give information and render aid: The driver of any vehicle involved in an accident resulting in injury to or death of any person or damage to any vehicle which is driven or attended by any person shall give his or her name, address and the registration number of the vehicle he is driving and shall upon request exhibit his or her operator's or chauffeur's license to the person struck or the driver, or occupant of or person attending any vehicle collided with and where practical shall render to any person injured in such accident reasonable assistance, including the making of arrangements for the transportation of such person to a physician, surgeon or hospital for medical or surgical treatment, if necessary, or if such transportation is requested by the injured person.

.03 Duty to report accidents immediately: The driver of a vehicle involved in an accident resulting in injury or death of any person or any property damage shall by the quickest means of communication give notice of such accident to the Department of Police and Public Safety. No vehicle involved in such accident shall be moved except when so ordered by a police officer.

.04 When driver unable to report: Whenever the driver of a vehicle is physically incapable of making a required accident report and there was another occupant in the vehicle at the time of the accident capable of making a report, such occupant shall make or cause to be made said report.

.05 Duty upon striking unattended vehicle: The driver of any vehicle which collides with any vehicle which is unattended shall immediately stop, and shall then and there either locate and notify the operator or owner of such vehicle of the name and address of the driver and owner of the vehicle striking the unattended vehicle, or if such person cannot be located, shall leave securely attached in a conspicuous place in the vehicle struck a written notice giving the name and address of the driver and of the owner of the vehicle doing the striking and a statement of the circumstances, and shall report such accident as provided in Sections 34.03 or 34.04 of this ordinance.

.06 Duty upon striking fixtures on a street or roadway: The driver of any vehicle involved in an accident resulting only in damage to fixtures legally upon or adjacent to a street shall take reasonable steps to locate and notify the owner or person in charge of such property of such fact, and of his or her name and address and of the registration number of the vehicle he or she is driving, and shall upon request exhibit his or her operator's or chauffeur's license and shall make a report of such accident as provided in Section
34.03 of this ordinance.

.01 Traffic Engineer (office): The Office of Traffic Engineer is hereby established. The Traffic Engineer shall be appointed in a manner prescribed by the Board of Trustees and shall exercise the powers and duties provided in this ordinance in a manner prescribed by the Board of Trustees and shall exercise the powers and duties provided in this ordinance in a manner consistent with prevailing traffic safety practices and in the best interests of Michigan State University. In the absence of the Traffic Engineer said duties and authority shall be vested in the Vice President and Chief Safety Officer, his designee or other officials as determined by the Board of Trustees.

.02 Traffic Engineer (duties): It is the general duty of the Traffic Engineer to determine the installation, proper timing, and maintenance of traffic control devices; to plan and direct the operation of traffic on streets within the boundaries of Michigan State University; to establish parking areas therein, designating limitation and use thereof; to install appropriate signs implementing the provisions of this ordinance; to certify as to installation, removal, or authorization of such devices and signs by posting same in the Administration Building, Kellogg Center and the headquarters of the Department of Police and Public Safety or such other public places as may be deemed appropriate within the campus, accessible to the public including a map certification illustrating graphically the placement and purpose thereof, for all such actions up to and including March 2, 1965; with all subsequent such actions by the maintenance of a traffic control order (sometimes called “work order”) file.

.021 Copies of traffic control order, certified by the Traffic Engineer to be a true transcript compared by him or her with the original in the headquarters of the Department of Police and Public Safety, shall be evidence in all courts and proceedings in like manner as if the original were produced. If it shall appear that a traffic control sign, signal, or device conforming to the provisions of the ordinances was erected or in place when the alleged violation of this ordinance occurred, such showing shall be prima facie evidence of the existence of a lawful traffic control order authorizing such traffic control, sign, or device, and it shall be unnecessary for the prosecution to affirmatively show the existence of a valid traffic control order in such case, unless and until such presumption is rebutted by competent evidence.
.03 Stop signs: The Traffic Engineer or Vice President and Chief Safety Officer is hereby authorized to determine and designate intersections where conditions warrant the stopping of traffic and to determine whether vehicles shall stop at one or more entrances to any such intersection, and shall erect a stop sign at every place where he or she shall find a stop required, except at those intersections which are controlled by automatic signals or other traffic-control devices.

.04 Stopping, standing or parking: The Traffic Engineer or Vice President and Chief Safety Officer is hereby authorized to prohibit or restrict the stopping, standing, or parking of vehicles on any street within the boundaries of Michigan State University and to erect signs giving notice thereof where, in his or her opinion, such stopping, standing or parking of vehicles interferes with the movement of traffic thereon.

.05 Speed restrictions: The Traffic Engineer or Vice President and Chief Safety Officer is hereby authorized to establish, increase, or decrease the speed regulations and to erect signs giving notice thereof as follows:

.051 Establish prima facie lawful speed limits on highways outside of business or residential districts;

.052 Increase the prima facie speed limits on through highways within business or residential districts;

.053 Establish the prima facie speed limits in alleys and service drives.

.06 One-way streets, roadways and alleys: The Traffic Engineer or Vice President and Chief Safety Officer is hereby authorized to designate one-way streets, roadways or alleys and shall place and maintain signs giving notice thereof, and no such regulation shall be effective unless such signs are in place. Signs indicating the direction of lawful traffic movement shall be placed at every intersection where movement of traffic in the opposite direction is prohibited.

.07 Crosswalks, safety zones and traffic lanes: The Traffic Engineer or Vice President and Chief Safety Officer is hereby authorized:

.071 To designate and maintain by appropriate devices, marks, or lines upon the surface of the roadway within the jurisdiction of Michigan State University, crosswalks at those places where he or she shall find that there is particular danger to pedestrians crossing the roadway and when he or she shall further find that the existence of a crosswalk will reduce that danger;

.072 To establish safety zones of such kind and character and at such places where he or she shall find that there is particular danger to pedestrians and which are consistent with State law, and where he or she shall find that the existence of a safety zone will reduce that danger;

.073 To mark lanes upon the roadway of any street where he or she shall find that a regular alignment of traffic is necessary in the interests of safety and efficiency, or at such places as he or she may find to be advisable, consistent with this ordinance and State law.

.08 Restricted turn signs: The Traffic Engineer or Vice President and Chief Safety
Officer is hereby authorized to determine those streets or intersections of such streets from which drivers of vehicles shall not make a right, left, or U turn, and shall place proper signs upon such streets and at such intersections. The making of such turns may be prohibited between the hours of any day and permitted at other hours, in which event the same shall be plainly indicated on the signs or they may be removed when such turns are unrestricted.

.09 Turning markers: The Traffic Engineer or Vice President and Chief Safety Officer is authorized to place markers, buttons, or signs within or adjacent to intersections and thereby require and direct that a different course from that specified in this article be traveled by vehicles turning at an intersection, and when markers, buttons, or signs are so placed, no driver of a vehicle shall turn a vehicle at an intersection other than as directed and required by such markers, buttons or signs.

.10 Through streets: The Traffic Engineer or Vice President and Chief Safety Officer is hereby authorized to designate through highways if stop signs are erected at the entrances thereto, subject to the approval of the State Highway Commission if a State trunkline highway is involved.

.11 Play streets: The Traffic Engineer or Vice President and Chief Safety Officer is hereby authorized to declare and to establish, whenever he or she shall find that the public safety and convenience are best served thereby, any street or part thereof a play street and to place appropriate signs and barricades enclosing the roadway.

.12 Parking: The Traffic Engineer or Vice President and Chief Safety Officer shall determine the location and nature of parking and tow away zones, and shall erect and maintain appropriate signs indicating the same and giving notice thereof, except that no such zones shall be established on State trunkline highways.

.13 All-night parking: The Traffic Engineer or Vice President and Chief Safety Officer when so authorized by the Board of Trustees may prohibit all-night parking and erect signs giving notice thereof upon any street or portion thereof whenever in his or her opinion such prohibition is necessary or advisable in the interest of public safety.

.14 Loading zones: The Traffic Engineer or Vice President and Chief Safety Officer is hereby authorized to determine the location of passenger and freight loading zones and shall place and maintain appropriate signs indicating the same and stating the hours during which such zones shall be restricted for loading purposes.

.141 No loading zone shall hereafter be established unless a written application for such zone is submitted to the Traffic Engineer or Vice President and Chief Safety Officer.

.142 The application required herein shall not apply to the designation of loading zones in front of any public building, theater, school, church, hospital or similar institutional building.

.15 Public carrier stands: The Traffic Engineer or Vice President and Chief Safety Officer is hereby authorized to establish bus stops, bus stands, taxicab stands and stands for other passenger common carrier motor vehicles on such public streets, in such places and in such number as he shall determine to be of the greatest benefit and convenience to the public. Every such bus stop, bus stand, taxicab stand, or other stand shall be designated by appropriate signs which he or she may cause to be erected by the carrier for whom said stand is designated.
.16 Metered parking zones in area: The Traffic Engineer or Vice President and Chief Safety Officer is hereby authorized to determine and designate metered parking zones and to install and maintain as many parking meters as necessary in said metered parking zones where it is determined that the installation of parking meters shall be necessary to aid in the regulation, control and inspection of the parking of vehicles. The Traffic Engineer or Vice President and Chief Safety Officer is hereby authorized to determine or designate parking lots or areas which shall be controlled and restricted by parking gates and is authorized to install and maintain as many parking gates as may be necessary in said areas where it is determined that the installation of parking gates shall be necessary to aid the regulation, control and inspection of the parking of vehicles.

.17 Weight restrictions: The Traffic Engineer or Vice President and Chief Safety Officer is hereby authorized to prohibit the use of the roadway by trucks or other commercial vehicles and to impose limitations as to the weight thereof on designated streets where, in his or her opinion, the public safety is concerned, but said prohibitions and limitations shall not become effective until notice thereof is given by means of appropriate signs placed on such streets.

.18 Emergency and experimental regulations: The Traffic Engineer or Vice President and Chief Safety Officer is hereby empowered to establish all regulations necessary to make effective the provisions of this ordinance and to establish and enforce temporary or experimental regulations consistent with this ordinance, to cover emergencies or special conditions. No such regulation shall be effective and enforceable until and unless adequate signs, signals or other notices are erected clearly indicating said regulation. No such temporary or experimental regulation shall remain in effect for more than 90 days.

.181 The Traffic Engineer or Vice President and Chief Safety Officer may test traffic-control devices under actual conditions of traffic.

.19 Traffic-control devices: The Traffic Engineer or Vice President and Chief Safety Officer shall place and maintain or remove traffic-control signs, signals, lane markings and other devices and shall determine the hours and days during which any traffic-control device shall be in operation or be in effect, when and as required under this ordinance to indicate and to carry out the provisions of said ordinance, and may place and maintain such additional traffic-control devices as he or she may deem necessary to regulate traffic under this ordinance and under State law, to regulate, warn or guide traffic.

.20 Manual and specifications for traffic-control devices: All traffic-control signs, signals, and devices shall conform to the specifications published in the Michigan Manual of Traffic Control Devices.

.21 Limit to authority: Notwithstanding the authority granted to the Traffic Engineer or Vice President and Chief Safety Officer under this ordinance, no stop signs, pavement markings, buttons or any traffic-control device shall be erected or maintained upon any State trunkline under the jurisdiction of the State Transportation Commission without the latter's written permission.

.22 Special traffic-control measures: The Traffic Engineer or Vice President and Chief Safety Officer is hereby empowered to establish special regulations for control of traffic for limited but regularly recurring periods of time such as occur during "rush hour" traffic
conditions and which extend for periods longer than the 90 days provided for in Section 35.18.

.23 The Vice President and Chief Safety Officer is hereby empowered to employ students or other special employees of the Department of Police and Public Safety to be assigned to the control and direction of traffic. While engaged in directing traffic and while wearing devices or emblems distinctively identifying them as employees of the Department of Police and Public Safety, such special employees shall be considered to be officers of Michigan State University and no motorist shall disregard the directions of such special employees while they are directing or controlling traffic.

.24 Special parking privileges and restrictions: The Traffic Engineer or Vice President and Chief Safety Officer is hereby empowered to establish special, restricted parking areas (and erect signs which indicate such restrictions) where such restrictions are necessary for essential activities of the university and/or where interference with such operations may adversely affect the public interest in maintaining a safe and well-ordered community. Examples of such restricted areas, without excluding others, are hospital parking zones for physicians; parking zones for emergency vehicles; parking zones for university vehicles; parking spaces rented by and reserved for specific individuals; parking areas prohibited to visitors; requirement that visitors park only in specific areas; and restriction of areas for certain types of university vehicle permits.

.25 Mass transit regulations: The Vice President and Chief Safety Officer is hereby empowered to regulate the movement and operation of mass transit vehicles operating on university property including location of loading points, routes, schedules, vehicle capacity, provisions for passenger and public safety, unscheduled and charter operations, fares, safety inspection of vehicles, approval of drivers and other matters which will ensure a safe, efficient mass transit service to the University. No person shall operate any vehicle contrary to the provisions of such regulations, nor shall any manager or owner allow any vehicle under his supervision to be operated on university property contrary to the provisions of such regulations.

.26* The Traffic Engineer or Vice President and Chief Safety Officer is hereby empowered to establish lanes on streets for the exclusive use of bicycles, electric bicycles, electric skateboards, and/or other mobility devices and to erect signs which indicate such usage. When such lanes are so provided and designated it shall be illegal for any motor vehicle to be driven within the bicycle lane area.

.27 No person shall place, maintain or display upon or in view on any street, any unauthorized sign, signal, marking or device which purports to be, or is an imitation of or resembles a traffic-control device or railroad sign or signal, or which attempts to direct the movement of traffic, or which hides from view or interferes with the effectiveness of any traffic-control device or any railroad sign or signal.

.28 No person shall place or maintain any commercial or political advertising upon any street, traffic sign or signal or parking meter.

.29 Every such prohibited sign, signal or marking is hereby declared to be a public nuisance and the Traffic Engineer or Vice President and Chief Safety Officer is hereby empowered to remove the same or cause it to be removed without notice.

.30 No person shall establish private or departmental parking areas within the boundaries of Michigan State University unless permission is first secured from the
Traffic Engineer or Vice President and Chief Safety Officer.

.31 Damage to traffic-control devices: No person shall attempt to or in fact alter, deface, injure, knock down or remove any traffic-control device.

.32 Traffic law enforcement: It shall be the duty of the Vice President and Chief Safety Officer to enforce the provisions of this ordinance and the State vehicle laws applicable to traffic, to make arrests when authorized by law, to assist in the prosecution of persons charged with violations, to investigate accidents, to cooperate with the Traffic Engineer and other officials in the administration of the traffic regulations, and in developing ways to improve traffic conditions and to carry out those duties especially imposed by this ordinance and any amendment thereto.

.33 The Vice President and Chief Safety Officer shall be responsible for the issuance of books of traffic citation and complaint forms and shall maintain or cause to be maintained a record of every such book and each set of citation and complaint forms contained herein issued to the individual members of the department and shall require and retain a receipt for every book so issued.

.34 Issuance of citation: Except when officially authorized or directed under State law to the contrary, a police officer who halts a person for any violation other than for the purpose of giving him or her a warning or warning notice and does not take such person into custody under arrest, shall take the name, address and operator's license number of said person, the registered number of the motor vehicle involved, and such other pertinent information as may be necessary, and shall issue to him or her in writing a traffic citation.

.35 Notice on illegally parked vehicle: Whenever any motor vehicle without driver is found parked or stopped in violation of any of the restrictions imposed by this ordinance or by State law, the officer finding such vehicle shall take its registration number and may take any other information displayed on the vehicle which may identify its user, and shall conspicuously affix to such vehicle a parking violation notice.

.36 Disposition of citation: Every police officer upon issuing a traffic citation to an alleged violator of any provision of the motor vehicle laws of this State or of this ordinance shall submit the duplicate copies of the corresponding complaint to the Vice President and Chief Safety Officer or his authorized agent.

.37 Illegal alteration or disposition of traffic citation: It shall be unlawful and official misconduct for any member of the Department of Police and Public Safety or other officer or public employee to dispose of, alter or deface a traffic citation or any copy of the corresponding complaint or the record of the issuance or disposition of any traffic citation, complaint or warrant, in a manner other than as required in this section.

.38 Illegal cancellation of traffic citations or complaints: It shall be unlawful for any person to cancel or solicit the cancellation of any traffic citation or complaint issued to an alleged violator of this ordinance.

.39 Notice of impounding: Whenever an officer removes a vehicle from a street as authorized in 36.03, and the officer knows or is able to ascertain the name and address of the owner thereof, such officer shall, within a reasonable period of time, give or cause to be given notice in writing to such owner of the fact of such removal, and the reasons therefore, and of the place to which such vehicle has been removed. In the event any
such vehicle is stored in a garage, a copy of such notice shall be given to the proprietor of such garage.

.40 Whenever an officer removes a vehicle from a street so authorized in Section 36.03 and does not know and is not able to ascertain the name of the owner, or for any other reason is unable to give the notice to the owner as hereinbefore provided, and in the event the vehicle is not returned to the owner within a period of three days, then and in that event the officer shall, within a reasonable period of time, send or cause to be sent a written report of such removal by mail to the Commissioner of State Police, and shall file a copy of such notice with the proprietor of any garage in which the vehicle may be stored. Such notice shall include a complete description of the vehicle, the date, time and place from which removed, the reasons for such removal, and the name of the garage or place where the vehicle is stored.

.41 Traffic violations: The Vice President and Chief Safety Officer other officer of the Department of Police and Public Safety designated by the Director shall keep a record of all violations of the traffic regulations of Michigan State University except standing or parking violations, and of the State vehicle laws of which any person has been charged, together with a record of the final disposition of all such alleged offenses. Such record shall be so maintained as to show the types of violations and the totals of each. Said record shall accumulate during at least a five-year period and from that time on the record shall be maintained complete for the most recent five-year period and in accord with existing Michigan statutes.

.42 Driver's record: The Department of Police and Public Safety shall maintain a suitable record of all traffic accidents, warnings, arrests, convictions and complaints reported for each driver, except those concerning standing or parking, which shall be filed alphabetically under the name of the driver concerned;

.421 Such records shall accumulate during at least a five-year period and from that time on such records shall be maintained complete for at least the most recent five-year period.

.43 Accident reports: The Department of Police and Public Safety shall maintain a suitable system of filing traffic accident reports. Accident reports, or cards referring to them, shall be filed alphabetically by location. Such reports shall be available for the use and information of the Traffic Engineer;

.431 The Department of Police and Public Safety shall receive and properly file all accident reports made to it under State law, or under any ordinance of Michigan State University. The reports required by this ordinance shall not be available for use in any court action, but shall be available to governmental agencies for the purpose of furnishing statistical information as to the number and cause of accidents.

.44 Copy of complaint: The Vice President and Chief Safety Officer shall maintain a file of one duplicate copy of the complaint corresponding to each traffic citation issued;

.441 The Vice President and Chief Safety Officer shall also maintain or cause to be maintained in connection with every traffic citation issued by a member of the Department of Police and Public Safety a record of the disposition of the charge.

.45 Warrants: The Vice President and Chief Safety Officer shall also maintain or cause to be maintained a record of all warrants issued on said traffic violation charges and
which are delivered to the department for service, and of the final disposition of all such warrants.

.46 Conduct of traffic accident studies: Whenever the accidents at any particular location become numerous, the Department of Police and Public Safety shall cooperate with the Traffic Engineer in conducting studies of such accidents and determining remedial measures.

.47 Preparation of accident reports: The Department of Police and Public Safety shall secure from the Commissioner of State Police forms for accident reports required hereunder, and thereon shall report as prescribed by law.

.471 Every police officer who, in the course of his or her regular duties, investigates a motor vehicle accident shall file a report of his or her findings with the Department of Police and Public Safety. In addition, it shall be the duty of the Department of Police and Public Safety to submit a copy of investigative findings of accidents occurring on University streets or on any other lands governed by the Board where there is death, injury or property damage in excess of $200 to the Director of State Police on forms provided by the Department of State Police.

.48 Traffic violation reports - available to public: All forms for records of violations and notices of violations which shall include traffic citations issued by police officers shall be serially numbered. For each month and year a written record shall be kept available to the public showing the disposal of all such forms, and such records, notices and reports shall be public records.

.49 Annual traffic safety report: The Department of Police and Public Safety shall annually prepare a traffic report which shall be submitted to the Board of Trustees. Such report shall contain information on traffic matters as follows:

.491 The number of traffic accidents, the number of persons killed, the number of persons injured, and other pertinent traffic accident data;

.492 The number of traffic accidents investigated and other pertinent data on the safety activities of the department;

.493 Plans and recommendations for future traffic enforcement activities.

.50* Taxicab regulation: The Vice President and Chief Safety Officer is hereby authorized to prohibit the operation of any taxicab or other vehicle for hire on campus which does not bear a current and valid license or permit issued by a duly authorized state or local regulatory body. For purposes of this section, vehicles for hire shall include personal vehicles operated through ride-sharing networks. Taxicab drivers for hire shall be required to present proof of compliance to police officers upon request. The Department of Police and Public Safety shall maintain and make available to the campus community a current list of local authorized taxicab companies and drivers for hire.

SELLING AND SOLICITATION GUIDELINES: Ordinance 27.00

In accordance with Michigan State University Ordinance 27.00 (Selling and Advertising), the Secretary of the Board of Trustees of Michigan State University promulgates these general standards concerning the grant of permits to sell or solicit sales or contributions on University premises:

1. **Scope**

   Ordinance 27.01 and these standards do not apply (a) to University departments or divisions whose operations include sales or solicitations, (b) with respect to charitable solicitations in which the University participates as an institution or de minimis sales for charity by University employees or students who derive no personal financial gain from the sales, or (c) in connection with sales to the University.

2. **Limitations**

   a. Permits will be granted only to (i) registered student organizations, living unit organizations, and major student governing groups, (ii) non-student University affiliated organizations, (iii) academic and administrative university units, (iv) groups selling or soliciting in conjunction with authorized activities at University facilities, and (v) vendors or suppliers with which the University has a contractual relationship, provided that a vendor or supplier which has entered into a formal contractual relationship with the University concerning sales or solicitation activities shall not be required to have a permit separate from an executed contract or purchase order, except for sales activities not described in the contract or purchase order.

   b. Permits will be granted only for sales or solicitation activities which (i) do not violate or conflict with University ordinances, guidelines, or regulations or other applicable laws or regulations, (ii) do not infringe upon the University’s trademark or other intellectual property rights, (iii) do not result in a breach of University contracts or compete with University or University-contracted operations, (iv) do not jeopardize public or individual safety, (v) will be conducted by members of the organization holding the permit, and (vi) are covered by such insurance as may be deemed necessary by the University’s Department of Risk Management and Insurance.

   c. Permits will not be granted for the sale of alcoholic beverages, tobacco products, or firearms.
3. Grant of Permits

a. Permits will be granted by the offices responsible for the proposed sale or solicitation location (list under development). Each such responsible office (i) may prohibit sales entirely in all or a portion of its facility(s) or location(s) or in conjunction with a specified program or function or (ii) may establish additional standards specific to its facility(s) or area(s), which address time, place and manner restrictions and are approved by the Secretary of the Board of Trustees. To the extent that time and place restrictions result in a limited number of permits being available, permits shall be granted in the order applications are received by the appropriate office.

b. Grant of a sales or solicitation permit shall imply neither approval nor disapproval of the purposes of the group, the activities conducted, the content of any materials distributed or any items being sold.
