Resolution:

BE IT RESOLVED that the Board of Trustees hereby approves revisions to the Michigan State University Ordinances as indicated in Attachment A.

BE IT FINALLY RESOLVED that the Board of Trustees authorizes the Secretary and Chief of Staff to the Board of Trustees to implement any necessary technical revisions to board or university wide policies to ensure alignment in numbering or cross-referencing given these revisions.

Recommendation:

The Trustee Committee on Academic Affairs recommends that the Board of Trustees approve the adoption of the amendments to the MSU Ordinances as contained in Attachment A.

Prior Action by BOT:

The Ordinances have been reviewed and revised at various intervals since their re-publication in 1994.

Responsible Officers:

Stefan Fletcher, Secretary and Chief of Staff to the Board of Trustees

Summary:

As part of the governance work the board has been focused on, including the substantive revision of its bylaws and restructuring of its policies in September 2023, a comprehensive review of the University's ordinances has been conducted with a focus on areas in the ordinances that needed to be revised for clarity, grammar, and alignment with other legal or regulatory provisions. This includes the rescission of certain ordinances where there was deemed to be sufficient overlap or duplication with other legal provisions. The proposal would also integrate the University Zoning Ordinance into the ordinance numbering series used by other ordinances at the institution. Specific revisions are outlined in Attachment A.

Background Information:

The Michigan State University Ordinances provide for the care, preservation and protection of the property governed by the Board. The Ordinances cover a range of matters, including alcohol distribution and consumption, access to buildings, and the setting of parade/procession routes. The latest version of the Ordinances was published in 1994, with certain ordinances having subsequently been amended by the board since then.
